

9th December 2024

Dear Customer,

As we approach the end of 2024 I would firstly like to thank all customers for their continued support in what has been a challenging year.

Whilst we navigate the ever changing economic landscape, continued inflationary pressures on our operational, distribution and overall cost bases force us to apply a 5% price increase for all orders received after 3rd January 2025.

The following product categories fall outside this price revision :

- New SleeperSecure brackets – NIL % INCREASE
- Primus garden ornaments and giftware - NIL % INCREASE
- Bulk aggregates – BEST POA
- Agricultural gates, hurdles etc – BEST POA
- Equestrian Rubber Matting – BEST POA
- Manufactured Threaded Bar and U Bolts / Engineered Fasteners – NIL % INCREASE / POA

Please note that Perry Point offers and discounts remain in place for all orders placed via www.perrytrade.co.uk

Any scheduled orders already placed for delivery before 6th January 2025 will have prices honoured at current rates. Any future dated scheduled orders will need to be reviewed with your Business Development Manager.

Please contact our Sales Office or your Business Development Manager for any further information or assistance.
