## 2025 TITON PRICE ADJUSTMENT

Dear Valued Customer,

We continue to keep a close eye on material, labour and direct costs. Where possible we have tried to maintain prices in line with 2024, however, we must implement increases in the following product ranges, effective from **1st January 2025**. Following recent budget announcements on employer National Insurance and minimum wage increases, we may need to review our pricing again in April 2025.

- Plastic trickle vent product ranges + 4%
  - Metal trickle vent product ranges (slot and glazed in) + 4%
  - All Titon branded hardware product ranges + 4%
  - All Maco product ranges + 2%
  - All Roto product ranges + 2%
- \*Kenrick, Fenster, Securistyle product ranges remain unchanged until further notice*

### Delivery Services:

We are lowering our minimum order value to £300. Orders below this value will incur an administration charge of £20 per order.

For orders exceeding £300, we will be moving our free delivery service to a 2–3-day standard service. For premium services such as next day delivery, the following changes will apply:

Service	Price
Next Working Day	£10
Next Working Day by 12.00	£18
Next Working Day by 10.30	£22
Saturday Delivery	£39

We greatly value your business and understand that price changes can be challenging. We hope that you appreciate the need for us to make these adjustments and we would be grateful if you could pass this notification on any of your colleagues who are involved in purchasing of these products.
